- Hold barbecue and other activities for high school alumni and recruited over 150 alumni to join

### Experience

#### INTERN / ANDROID DEVELOPER

Sep 2015 – Jun 2017

##### *NCCU MIS graduation project, Taipei City, Taiwan*

- Developed an Android application “Earthquake Early-Warning Application - H.E.R.O.” based on the concept of crowd-sourcing and IoT
- Led by an EMBA senior, and adopted the Scrum methodology and the Agile development approach
- Starting off with Wireframe designing, progressing on to finishing Mockups, and eventually creating the Prototype of H.E.R.O
- Choosing Android Studio as our development tool and Google Firebase as our backend service

GitHub: <https://github.com/kevin0506/EarthquakeApp>

#### INTERN / ANDROID DEVELOPER

Jul 2017 – Jan 2018

##### *EVERTIPHI INC., Taipei City, Taiwan*

- An Android developer intern in a startup company founded by an EMBA senior based on our graduation project prototype “Earthquake Early-Warning Application - H.E.R.O.”
- Used Trello and GitHub to track development status and follow the weekly development schedule by using scrum methodology
- Keep maintaining and completing the fully functional version of H.E.R.O and finally launch the product on Google Play in October 2017

Google Play: <https://play.google.com/store/apps/details?id=com.evertiphi.herov2>

#### INTERN / FRONT-END WEB DEVELOPER

Dec 2016 – Jan 2018

##### *Ministry of Science and Technology, NCCU RMI, Taipei City, Taiwan*

- Worked as a PHP front-end developer under the Ministry of Science and Technology
- Developed a financial planning webpage “Financial Investment and Management website - Quant168” by using languages such as PHP, MySQL, HTML, JavaScript

Webpage: <http://140.119.86.174/quant168/newretirementpay.php>

### Activities

#### The 34<sup>th</sup> NCCU Golden Melody Award Preparation Committee

Jul 2017 – Jan 2018

##### *Public Relation Department*

- NCCU Golden Melody Award is the largest scale of music competition among the colleges and has the highest credibility in Taiwan.
- Attracted over 5000 people to tune in on the competition. Compared to the number of audience in the past years, it rose up to 40%.
- Responsible for contracting sponsors and cooperation units, discussing the content of cooperation and tracking of funds flow and sources of supplies
